Parents and Guardians,
San Xavier Mission School sport’s season has come to another end for the year. The track season was finished last Saturday. Several students and relay teams qualified for the finals.

It was a beautiful day at Salpointe Catholic High School. The student athletes and their families were very supportive of all the teams.

In the past SXMS did not participate on finals day very often. We had a very small team and very few runners. This year the student athletes participated in running events and in shot and discus. SXMS also had a Varsity and a JV team.

Thank you to the coaches, Mrs. Kroskob and Sister Monica for volunteering their time after school and on the weekends.

It was a great track season.

Blessings,
Shirley Kalinowski
SXMS Principal
